**UPDATES¹ TO PRODUCT DISCLOSURE STATEMENT FOR
THE DIMENSIONAL GLOBAL SUSTAINABILITY TRUST:
INTRODUCTION OF SMALL COMPANY SECURITIES – FEBRUARY 2020**

DFA Australia Limited (**Dimensional**) will issue a revised product disclosure statement (**PDS**) for the Dimensional Global Sustainability Trust (**Trust**) which will take effect on or soon after 5 February 2020. The new PDS will become available on our website (<https://au.dimensional.com/fund-documents> – on the relevant Fund Documents page for the Trust) at that time.

The PDS will be revised to reflect the introduction of securities of small companies as eligible securities for the investment strategy of the Trust. To date, eligible securities for the Trust’s investment strategy have generally been limited to large companies.

At the same time, we will update the Additional Information Guide (**AIG**) to make minor corresponding changes.

Investors should consider the current PDS in deciding whether to invest in the Trust, or to continue to hold their investments in the Trust.

If you have any further questions about these changes, please don’t hesitate to contact your advisor or consultant.

Yours sincerely,

Bhanu Singh,
Director and Head of Asia Pacific Portfolio Management
