First Full Month refers to performance since January 2019.
Performance shown represents past performance and is not indicative of future performance. Returns for periods shorter than one year are not annualised. Returns are net of fees and costs and assume income is reinvested and are gross of tax. The investment return and principal value will fluctuate so that an investor’s units, when redeemed may be worth more or less than their original cost. The Trust is not managed with the objective of achieving a particular return relative to a benchmark index. A reference index has been provided for comparison purposes only and is not intended to represent the current or targeted asset allocation. Trust performance may differ significantly from the reference index.

INVESTMENT OBJECTIVE
To provide a total return, consisting of capital appreciation and income, by gaining exposure to a diversified portfolio of domestic and global fixed interest securities, equity securities of companies and real estate securities listed on approved developed and emerging markets. The Trust will seek to target approximately 30% exposure to equities and 70% exposure to fixed interest assets. The Trust is not managed with the objective of achieving a particular return relative to a benchmark index. However, to compare the performance of the Trust with a broad measure of market performance, reference may be made to a combination of market indices based on the strategic asset allocation of the Trust. For further details please refer to www.dimensional.com.au. Investors should note that the composite index is referred to for comparison purposes only. The performance of the Trust may differ significantly from the index.

PRINCIPAL RISKS
All investing is subject to risks, including market fluctuations and possible loss of the principal amount invested. Section 4 of the Product Disclosure Statement contains further information about other relevant risk factors.

All figures are measured in Australian dollars unless stated otherwise.

* “Dimensional” refers to the Dimensional separate but affiliated entities generally, rather than to one particular entity. These entities are Dimensional Fund Advisors LP, Dimensional Fund Advisors Ltd., Dimensional Ireland Limited, DFA Australia Limited, Dimensional Fund Advisors Canada ULC, Dimensional Fund Advisors Pte. Management costs comprise management fees, expense recoveries and indirect costs. Section 6 of the Product Disclosure Statement contains further information on fees and costs including a breakdown of management costs into management fees, indirect costs and expense recoveries. The expense recoveries and indirect costs components are Dimensional’s reasonable estimates of those amounts that will apply for the financial year ended 30 June 2019, adjusted to reflect a 12 month period (where applicable).

Where applicable, the Transaction Costs Allowance is paid to the trust and is not a fee paid to Dimensional.
